January 11, 2012

Dear Parents,

Today, near the end of NACA II's lunch period, we were informed that we needed to evacuate the building due to some type of electrical issue within the Friendship school. Students were allowed to enter the building and get their coats. The fire trucks came and assessed the situation while we waited on the lawn. Once the fire department cleared us to enter the building, all students that did not receive their food were then allowed to eat lunch.

We look forward to seeing all students tomorrow as we resume our regular school schedule.

Thank you.

Respectfully,

Cecil C. Gray, Ph.D., Operator

Linda Brown, Principal
